ALL IN FOR DEMOCRACY

INDIANA COALITION FOR INDEPENDENT REDISTRICTING

Over twenty Indiana cities and towns have passed resolutions in favor of independent redistricting reform in Indiana – but we need the State Legislature to take action to solve this problem! Add your name below and urge our elected officials to stand for democracy:

"I support redistricting reform that creates a bipartisan citizens commission and provides them with a set of common sense principles to use when drawing state legislative and congressional districts."
